Grievance Redressal Mechanism at MAIT

The **Student Grievance Redressal Committee** at the institute has been established to provide a mechanism for redressal of student's grievances, complaints, malpractices and ensure transparency within the system. The function of the committee is to look into the complaints lodged by any student, and investigate into its facts and authenticity. Any student with a grievance or a complaint may approach the committee in-charge in person. The objective of the committee is to encourage students to express their grievances / problems freely and frankly, without any fear of being victimized.

An **Anti-Ragging Committee** has been set up by the institute to inquire into all incidents of ragging. All inquiries into alleged incidents of ragging are to be carried out by the Anti-Ragging Committee. The objective of the committee is to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or undisciplined activities by any student.

The institute commit itself to a zero-tolerance policy towards sexual harassment, discrimination, harassment, retaliation and sexual assault at all levels. We understand the intensity of any form of sexual harassment. It violates an individual's dignity, leaving behind a mark both on body and soul. Hence as an institution of knowledge and an industry to produce good human being, our institute has constituted **Sexual Harassment and Women Grievance Redressal Committee** with an aim to sensitize students and staff to work diligently to prevent sexual harassment in the college campus. Complaints of sexual harassment shall be lodged with the committee and appropriate disciplinary action is initiated by the members in accordance to the rules and regulations of the college.

Dear Sunil,

Hope this email finds you in good health!

This is Ruchika Guryan, elder sister to Gaurav Guryan, 2nd year B.Tech student in ECE department (Enrollment No. 13114802821).

I am writing this to you since the way my brother was treated on date 22nd June 2023 is highly concerning. The way he was treated and the things that were said to him regarding his family conditions and you made fun of it are highly detrimental to his mental health. As his guardian, I don't have an option but to take an action against you as the remarks you made can be deemed as violating the general Code of Conduct.

Mention the statements that he (Mr. Sunil Kumar, HOD ECE) made which were offensive. Say the fees was submitted later due to personal trauma which in no way or shape is something that you had a right to comment on.

I would like to have a meeting with Mr. Sunil Kumar, the ombudsperson, SC/ST staff committee, director regarding this matter. Please let me know your availability.

Mr. V.N.Mathur, Sir, your support will be highly appreciated.

On June 20th, around 4:45 PM, as a freshman student at the Maharaja Agrasen Institute of Technology (MAIT) in Rohini, I approached my chemistry professor to have my practical file checked. To my surprise, another professor was also present in the room. However, instead of focusing on my academic concerns, this professor began offering unsolicited advice on how students should dress and insinuated that certain types of clothing could be a reason for experiencing catcalling.

After I handed my file to my respected teacher, the other professor inquired about my place of residence and requested that I position myself within her direct line of sight. She proceeded to question the safety of the dress I was wearing for a locality like Begumpur and whether I would be capable of defending myself if subjected to harassment by auto and cab drivers. I was taken aback and initially struggled to formulate a coherent response. However, I gathered my thoughts and replied more assertively, stating that I cannot change someone else's mentality and beliefs. Unfortunately, the professor swiftly retorted, suggesting that it is I who should change myself. Furthermore, she cited instances where seniors had allegedly faced similar situations due to their clothing choices.

It is important to note that the professor I initially sought assistance from, who also serves as my mentor, neither encouraged nor discouraged this behavior. In her defense, she promptly addressed my practical file concerns and allowed me to leave the room earlier than expected.

It is crucial for all professionals, including educators, to maintain a respectful and unbiased environment for their students. Unsolicited comments on personal appearance, especially those perpetuating victim-blaming or endorsing stereotypes, have no place within an academic setting. It is imperative that educators focus on fostering an inclusive and safe learning environment, free from judgment and prejudice. Teacher's name is Puja Singh, professor (chemistry)

Respected Sir

We are Team Jatayu (Team no. 23055) from Maharaja Agrasen Institute of technology, Rohini, New Delhi.
We have been actively participating in Baja Sae for last 13 years.

This year, we have thoroughly completed our Phase -1 and Phase -2 registrations & events (Static and Virtual Dynamic Events). Our vehicle is fully completed and is currently in testing phase. We are totally invested in it and have worked very hard for the same.

According to our tentative Endterm examination date sheet as issued by Guru Gobind Singh Indraprastha University (GGSIPU), exams are scheduled from 6th February to 18th February 2023. The date sheet for the same is attached. These dates collide with proposed dates of M-BAJA SAE INDIA 2023 (15-19 Feb 2023).

Due to this mayhem, we humbly request you to please postpone dates for the event so that our hard work doesn't go waste.

We hope that you would consider our humble request as we are looking forward.

Regards
Team Jatayu

We recently received a communication from Team Jatayu of Maharaja Agrasen Institute of technology, Rohini, New Delhi that the end term examination of the university is scheduled from 6th - 18th of February which is unfortunately coinciding with the BAJA SAEINDIA 2023 mBAJA Phase 3 event, scheduled from 15th - 19th February 2023 at NATRAX, Pithampur near Indore.

Team Jatayu, since a decade, has been regularly participating in BAJA SAEINDIA competition, and has been performing well year on year while winning several awards in the past. Their ATVs photo & video are attached with Proposed Exam Time Table. It will be unfortunate that they miss the great opportunity of attending the biggest undergraduate level student event conducted by SAEINDIA.

Therefore, it is my humble request to kindly allow you to either postpone the examination dates or allow the members of Team Jatayu to attend the exams separately after the event.

Thanks & Best Regards,

Dr K C Vora
