Joint Assessment Committee

Sub : Compliance Report of Academic Audit

Respected Madam/Sir,

The Compliance Report of Academic Audit is as follows:

Sl. No.	Observation	Reply
1	Indexing of the Journal should be improved.	Implemented (Annexure- I)
2	Payment should be protected during study leave.	Payment cannot be protected during study leave as it is self-financing institute. However, study leave is granted to faculty as per requirement. As the faculty rejoins the institution, he/ she is given incentives as per norms. (Annexure-II)
3	The institute is doing well for students as placement is also good.	Thanks, the dedicated career development cell (CDC) is doing lot of efforts for the students' placement and internship.
4	Industrial trip for the students should be organized.	Departments are exhorted to organize number of industrial visits. Total 70+ industrial visits are organized from Aug 2022 to till date. (Annexure-III)
5	More Journals should be added in the MBA Section.	New Journals added to the MBA section: (Annexure-IV) International - 17 National - 16

Thanks & regards,

 Prof. (Dr.) N. Sharma
 Director

TO WHOM IT MAY CONCERN

This is to certify that Mr. Himanshu Khanna joined the Institute as Lecturer in the Department of Electronics and Communication Engineering on January 17, 2003. Presently his designation is Assistant Professor. We have no objection if he pursues part time Ph.D. at ITM University, Gurgaon.

- The candidate is permitted to pursue studies on a part-time basis.
- His official duties permit him to devote sufficient time for research and
- Facilities for research in the Candidate's field of research are available in the Institute.

Annexure-III

Industrial Visits Organized by MAIT

S.No.	Name of the Department	Name of the Industry Visited	Date of Visit	Semester	Number of Students Visited	Faculty Coordinator(s)	Purpose and Outcome of Visit (in short)
1	AI&DS	India Mobile Congress (IMC)	03-10-2022	3rd	38	Mr. Bhaskar Kapoor	the newest frontier technologies, such as 5G, AI, AR/VR, Cloud, edge, Internet of Things (IoT), robotics etc. Being an IT professional, students also acquired the knowledge of the importance of telecommunications and its applications in the industry.
2	AI&DS	C# Corner Annual Conference	16-10-2022	5th	10	Dr Vinay Kumar Saini, Dr Neha Agrawal	C# Corner is a global social community for IT professionals and data developers to exchange their knowledge and experience
3	AI&DS	Network Bulls, Gurugram	21-11-2022	3rd	02	Er. Vibhor Sharma	Acquired the knowledge of importance of networking and its applications in the industry.
4	AI&DS	IndiaSoft-2023, Pragati Maidan, New Delhi	28-03-2023	4th	6	Dr. Anshu Khurana	INDIASOFT is an avenue to source innovative products & services in sectors including Health tech, BFSI, Agritech, Edutech and many more.
5	AI&DS	Ducat, Pitampura	02-06-2023	6th	03	Dr. V K Saini	demonstrated how python programming language and important python libraries can be used to analyze and facilitate decision making in attempt to solve business problems.
6	AI&DS	DRDO	05-03-2024	6th	10	Dr Vasudha Bahl	The visit to SSPL DRDO provided invaluable insights into the world of defense research and the role of solid-state physics in advancing technological capabilities and aimed to explore three distinct laboratories, each contributing to different facets of solid-state physics and defense technology.
7	AI&ML	Indian Mobile Congress 2022	02-10-2022	3rd	15	DR NEERAJ GARG, DR NEELAM SHARMA	Students were fascinated by different stalls of 5G gaming and Virtual Reality.
8	AI&ML	ICAR- Indian Agricultural Research Institute Engineering Division, Pusa, New Delhi-110012	20-10-2022	3rd	22	Dr. Tripti Lamba	Student understood how machine learning could be used to transform the agro- industry.
9	AI&ML	HR Conclave 2022, DMA, DELHI	14-12-2022	3rd	10	DR. NEERA GARG, DR. NEELAM SHARMA	STUDENTS LERAN ABOUT LATEST TRENDS OF THE INDUSTRY. AND EMERGING TECHNOLOGIES RUN IN THE LAST FIVE YERAS. IN AI DOMAIN.
10	AI&ML	Network Bulls, Gurgaon	04-05-2023	4th	32	DR. NEELAM SHARMA	Students understood practical exposure, industry insights, and valuable learning experiences in the field of network engineering. The visit proved to be a stepping-stone towards bridging the gap between theoretical knowledge and REAL LIFE
11	AI&ML	Ministry of Electronics and Information Technology, Electronics Niketan, 6, CGO Complex	26-05-2023	4th	26	DR. Tripti Lamba	Students understood the Digital India Initiative and its 9's pillars. Students also got to know how they could actively contribute to e- governance through the indigenous development of portals, adopting a Paperless office approach.
12	Applied Science	Rithala Sewage Treatment Plant	11-04-2023	1st	30	Prof(Dr) Puja Singh	To learn process of the sewage treatment
13	Applied Science	Water Treatment Plant, Halderpur.	12-04-2023	1st	30	Prof (Dr) Puja Singh	To learn water purification and distribution

Prof. (Dr.) N. Sharma
Director
MAIT
PSP Area, Sector-22
Rohini, Delhi-110086

Prof. (Dr.) Neelam Sharma
Director
MAIT
PSP Area, Sector-22,
Rohini Delhi-110086

14	Applied Science	National Physical Laboratory	26-05-2022	1st	100	Prof. (Dr.) Poonam Tandon, Dr. Shashikant Pandey	The purpose of the visit was to make the students aware of the research opportunities. The purpose of the visit was to make the students see the apparatus of Scanning Electron Microscope and Scanning Tunneling Microscope. The outcome of the visit was the students awareness towards the research opportunities available to them as STEM students. The students came to know that NPL is the time keeper to the nation as in Indian Standard time (IST)
15	BBA	Field Visit- DILLI HAAT.	19-10-2023	1st	55	Dr. Ratika Sikand & Ms. Anjali Gupta	"They were asked to interview craftsmen and entrepreneurs and they submitted a report that included: 1. Cover page 2. Objective of the activity 3. Introduction of craftsmen and their business 4. Interview questions with answers 5. Learning Outcome 6. Conclusion Outcomes 1.Real-world Exposure: Students experienced the challenges and opportunities faced by local entrepreneurs. 2.Networking: Interacting with craftsmen provided networking opportunities for future endeavors. 3.Application of Knowledge: Students applied theoretical concepts to real-world situations."
16	BBA	Industrial Visit to Parle-G Neemrana	25-10-2023	3rd	30	Dr. Ratika Sikand & Dr. Neeru Gupta	The visit to the Parle G Neemrana plant proved to be an enriching and educational experience for the students. It offered a tangible connection between classroom theory and real-world applications. The students expressed enthusiasm and thoroughly enjoyed the trip, gaining valuable insights into the biscuit manufacturing industry.
17	BBA	Field Visit to Dilli Haat, INA, Delhi	09-12-2022	1st	50	Dr. Ratika Sikand & Ms. Anjali Gupta	"The objective was to interview craftsmen of Dilli Haat about their business, its success, and the challenges faced. They were asked to take interview craftsmen and entrepreneurs and they submitted a report that included: 1. Cover page 2. Objective of the activity 3. Introduction of craftsmen and their business 4. Interview questions with answers 5. Learning Outcome 6. Conclusion"
18	CST	Network Bulls Pvt. Ltd	20-12-2022	3rd and 5th	28	Mr. Priyank Kumar Saxena	to aware the students about networking globally, also students gained knowledge about cyber security an networking
19	CST	DRDO	05-03-2024	4th	10	Mr. Priyank Kumar Saxena	The visit to SSPL DRDO provided invaluable insights into the world of defense research and the role of solid-state physics in advancing technological capabilities and aimed to explore three distinct laboratories, each contributing to different facets of solid-state physics and defense technology.
15	ECE	India Mobile Congress	03-10-2022	4th, 6th, 8th	150	Dr. Nitin Sharma	The theme of IMC 2022 largely revolved around the launch of 5G mobile services in India by Hon'ble Prime Minister Shri Narendra Modi Ji. India as a nation is poised to develop a "digital universe" where the running of several public welfare schemes can be streamlined and the data involved may be analyzed in real time so as to continuously improve the efficiency and reliability in order to benefit the common man. The GDP of our nation and the economy in general will be immensely benefitted by the never seen before applications arising out of 5G services.
16	ECE	SCL Chandigarh	04-01-2023	3rd and 5th	34	Dr. Sumanta Kumar Kundu, Dr. Nitin Sharma, & Ms. Abhishasha Gokhale	SCL is the only laboratory providing End-to-End services in the Semiconductor Industry. It is currently expanding to incorporate newer technologies and thus hopes to become the Semiconductor Hub of India. The Scientists of SCL conducted various sessions to explain the intricate activities undertaken by SCL in the field of semiconductors technology. The scientists of SCL guided the students patiently resolving their queries and detailed the process of semiconductor chips Manufacturing. Starting from processing of Wafers to EDS and Packaging of ICs, CMOS MEMS & MOEMS, everything was explained in detail.

17	ECE	BES EXPO 2023	16-02-2023	2nd	34	Dr. R. K. Choudhury, Dr. Nilin Sharma	In January 2023, as per the letter from government of India, our institute was invited to participate in 27th International conference & Exhibition on Broadcast & Media Technology, organized by Department of Broadcast Engineering Society (India) from 16-02-23 to 18-02-23, at Pragati Maidan, New Delhi. The students visited all telecommunication stalls and attended an international conference on Artificial Intelligence. The speakers from various industries gave lectures which was commendable. Students gathered some knowledge about AI, 4G and 5G technology. The three day industrial visit ended up with a fresh technology in mind which will be helpful to teachers and students.
18	ECE	UTL Solar, Greater Noida	14-04-2023	4th and 6th	56	Dr. Sumanta Kumar Kundu, Dr. Javed Ahmed	*The visit helped students to understand the importance of renewable energy sources and their potential in addressing the growing energy needs of the world. We learned about the various types of solar panels and their applications in different sectors such as residential, commercial, and industrial. Students were also impressed by the company's commitment to sustainability and environmental protection. *The visit provided students with an insight into the manufacturing process of solar panels. All the students witnessed the different stages of production, from the preparation of raw materials to the assembly and quality control procedures.
19	ECE	Yakult Danone India Pvt Ltd	22-09-2023	5th	80	Ms. Neeraj, Ms. Shalu Garg, and Dr. Anubha Goel	The industrial visit to the Yakult Plant in Kundali, Sonapat, was an eye-opening and educational experience for the 5th-semester B.Tech students. They not only gained insights into the fascinating journey of Yakult but also witnessed firsthand the cutting-edge manufacturing processes and quality control measures that make Yakult a trusted brand in the market. This visit was not just an excursion but a lesson in excellence and innovation in the field of manufacturing, leaving a lasting impression on the students' minds.
20	ECE	Honda Cars India Ltd., Alwar	19-10-2023	5th	50	Dr. Rajni, Ms. Kanika Agarwal, and Mr. Ajay Kumar Gupta	Students had the privilege to explore the integrated assembly plant, where various Honda car models come to life, under the expert guidance of the company's professionals. The visit was not just about witnessing innovation but also understanding the intricate ecosystem that powers Honda's success, complemented by a motivational talk that left the students inspired.
21	ECE	India Mobile Congress 2023	27-10-2023	4th, 6th and 8th	150	Dr. Nilin Sharma, Mr. Ajay Kumar Garg	Honble Prime Minister Shri Narendra Modi Ji, 27th October 2023, launched the 7th Edition of the India Mobile Congress 2023 at Bharat Mandapam in New Delhi. The India Mobile Congress (IMC) is Asia's largest telecom, media, and technology gathering, and it will be held from October 27th to 29th, 2023. The IMC 2023 intends to increase India's status as a significant cutting-edge technology innovator, manufacturer, and exporter. The Prime Minister presented 100 '5G Use Case Labs' to educational institutions across the country during the program. The event will act as a platform to highlight India's incredible advancements in telecommunications and technology, bring forth significant announcements and provide an opportunity for start-ups to display their innovative products and solutions.
22	ECE	ST Microelectronics, Greater Noida	23-11-2023	5th	17	Dr. Anamika Jain, Ms. Swati Sharma and Ms. Preeti Goyal	The Department of Electronics and Communication Engineering (ECE) organized an insightful industrial visit to ST Microelectronics, strategically designed to acquaint students with the cutting-edge advancements in the VLSI and IoT sectors. The students had the
23	EEE	Thermal power plant, Panipat	30-01-2024	6th and 4th	26	Mr. Jitender Lather, Mr. Sheersh Garg, Ms. Ayushi	A deep and insightful knowledge about features of engineering processes
24	EEE	Coca-Cola Happiness Factory	29-11-2023	5th	45	Ms. Neha Agarwal, Ms. Shashibala Agarwal, Dr. Laxya	To explain Manufacturing processes, quality control measures and sustainability initiatives.
25	EEE	Nuclear Power Corporation of India Ltd, Narora	18-04-2023	6th	42	Poonam Juneja, Supriya Sharma and Ashok Goyal	Study the systems of the plant, like Reactors, Turbo Generator, Switch Yard Control Room, Switch Yard and Cooling Tower. Outcome: The visit was very helpful for their understanding of various theoretical aspects studied in their curriculum.
26	EEE	Mother Dairy plant, Delhi	15-02-2024	4th sem	20	Ms. Shashibala Aggarwal, Ms. Ayushi Aggarwal	Insightful knowledge of operation, technology and process adopted during testing of milk

Prof. (Dr.) Neelam Sharma
Director
MAIT
PSP Area, Sector-22,

27	EEE	Vision Robotics, Gurgaon	14-03-2024	6th	31	Ms. Ayushi Aggarwal, Ms. Monika Bhardwaj	In depth knowledge experience in the world of personalized robotics
28	EEE	Panipat Thermal Power plant	06-12-2022	6th and 8th	70	Ms. Poonam Juneja, Ms. Supriya Sharma	To study various operations of plant like generation etc. Outcome: Practical knowledge of what they have studied.
29	IT	India Mobile Congress (IMC)	03-10-2022	3rd	27	Ms. Nidhi Sengar, Mr. Ajay Kumar Kaushik	the newest frontier technologies, such as 5G, AI, AR/VR, Cloud, edge, Internet of Things (IoT), robotics etc. students also acquired the knowledge of the importance of telecommunications and its applications in the industry.
30	IT	C# Corner Annual Conference - Day 2	15-10-2022	5th	5	Dr. Vasudha Bahl	C# Corner is a global social community for IT professionals and data developers to exchange their knowledge and experience. The key technologies that highlighted at the conference are .NET, Web, Mobile, Cloud, Data, Security, Web 3.0, NFTs, Metaverse, DeFi, Blockchain, and Crypto. Track 1# based on Cloud Computing, Machine Learning for Natural Language Processing & Fuel of Business and Digital Transformation.
31	IT	Network Bulls	18-11-2022	B.Tech. 3rd	13	Dr. Anu Rathee, Dr. Shikha Gupta	different networking devices and their usage like Routers, switches and firewalls along with explanation of their usage.
32	IT	IndiaSoft-2023, Pragati Maidan, New Delhi	27-03-2023	4th & 6th	27	Dr. Vasudha Bahl	INDIASOFT is an avenue to source innovative products & services in sectors including Health tech, BFSI, Agritech, Edutech and many more
33	IT	Ducat, Pitampura	02-06-2023	6th	03	Dr. Bhoomi Gupta	demonstrated how python programming language and important python libraries can be used to analyze and facilitate decision making in attempt to solve business problems.
34	IT	Network Bulls, Gurugram	19-10-2023	3rd and 5th	27	Dr. Deepika Bansal, Ms. Tejra Khosla	Witnessing the application of classroom concepts in real-world scenarios was not just enlightening but left an indelible mark on our students' understanding of networking and IT.
35	IT	MTNL Rohini	11-10-2023	6th	27	Dr. Shailu, Ms. Meenu	This visit allowed our students to delve deep into the world of telecommunications. They gained invaluable insights into global telecom operations, the critical significance of data security, and the financial aspects of telecom equipment.
36	IT	Industrial Visit to Digital Acceleration and Transformation Expo (DATE) 2023	23-11-2023	3rd and 5th	15	Dr. Neha Agrawal	The trip was indeed very informative and enlightening for the students as they acquired the knowledge of the importance of AI and Blockchain and its applications in the industry.
37	IT	BES Expo 2024 at Pragati Maidan	16-02-2024	6th	10	Dr. Sunil Maggu	BES Expo 2024 at Pragati Maidan
38	IT	DRDO	05-03-2024	3rd	10	Dr. Vasudha Bahl	The visit to SSPL DRDO provided invaluable insights into the world of defense research and the role of solid-state physics in advancing technological capabilities and aimed to explore three distinct laboratories, each contributing to different facets of solid-state physics and defense technology.
39	ITE	India Mobile Congress (IMC)	03-10-2022	3rd	37	Mr. Varun Goel, Ms. Meenu Garg	newest frontier technologies, such as 5G, AI, AR/VR, Cloud, edge, Internet of Things (IoT), robotics etc. students also acquired the knowledge of the importance of telecommunications and its applications in the industry.
40	ITE	C# Corner Annual Conference - Day 2	15-10-2022	5th	5	Dr. Vasudha Bahl	C# Corner is a global social community for IT professionals and data developers to exchange their knowledge and experience. The key technologies that highlighted at the conference are .NET, Web, Mobile, Cloud, Data, Security, Web 3.0, NFTs, Metaverse, DeFi, Blockchain, and Crypto. 48	ITE	BES Expo 2024 at Pragati Maidan	16-02-2024	6th	15	Ms Sapna Gupta	It was indeed a day filled with learning and growth, empowering both students and faculty with practical knowledge in the dynamic realms of broadcasting and Information Technology.
49	ITE	DRDO	05-03-2024	3rd	10	Dr. Anrita Goel	The visit to SSPL DRDO provided invaluable insights into the world of defense research and the role of solid-state physics in advancing technological capabilities and aimed to explore three distinct laboratories, each contributing to different facets of solid-state physics and defense technology.
50	MBA	BSE Institute Limited, Rajendra Place	31-10-2022	1st	42	Dr. Ritu Gupta	"The session includes information about the operations of stock exchanges and the regulators of stock exchanges. Students also get exposure about the various investment avenues and understanding about risk and return while investing in different securities. At the end students take refreshment. It was really an enlightening session for the students to get a basic understanding about stock exchanges and their operations. The session also provided detailed knowledge about investment. Topics relating to Investment avenues and Principles of safe investment also discussed under this session. They also introduced the students to various certification courses by the center for enhancing career options."
51	MBA	BSE Investor's Service Center Rajendra Place	10-11-2022	1st	50	Dr. Anju Bhatti & Dr. Neeru Gupta	"The aim of the Visit was to acquaint students with Capital market. Students will understand the basics of Capital markets, the terminology used in the markets, various investment avenues, and its working from Indian markets scenarios. Students will also get some fundamental and Technical analysis tips. This Visit enriched students with the knowledge of capital market and various career opportunities. Students learned some trading skills and got tips for choosing security for investment. The students got insights about various job profiles available in the securities market. It also fleshes light on different certification that can help students in capacity building and getting the job. Overall it was a great learning for students."
52	MBA	India Trade Promotion Organisation, ITO, EDUCATION VISIT (Industrial cum Corporate Visit)	17-11-2022	1st	50	Dr. Sukhvinder Singh & Mr. Nishant Gaur	The objective of this visit was to provide a great opportunity for students to learn that how the businesses find platforms for trade and industry for sourcing, finding buyers, business interactions, technology transfer opportunities, test marketing, and market access. The students learnt a lot about the financial industries and the role of SEBI.

53	MBA	India Trade Promotion Organisation (ITPO), EDUCATION VISIT (Industrial cum Corporate Visit)	18-11-2022	1st	46	Dr. Ritu Gupta	The Theme of 41st IITF 2022 was "Vocal for Local, Local to Global." Apart from this theme Central ministries, commodity boards, state-owned units like KVAFSU, Department of Income Tax, customs, Ministry of Ayush, National Jute Board, and the RBI also displayed the achievements of their sectors. Overall students learned a lot about investing in this session. They get clarity about investment routes and safe investment principles-related topics. Students enjoyed the whole visit.
54	MBA	India Trade Promotion Organisation (ITPO), EDUCATION VISIT (Industrial cum Corporate Visit)	25-11-2022	1st	16	Dr. Sukhvinder Singh, Dr. Anju Bhatli, Dr. Sanjeev Kumar & Dr. Anoop Kumar Gupta	The objective of this visit was to provide a great opportunity for students to learn that how the businesses find platforms for trade and industry for sourcing, finding buyers, business interactions, technology transfer opportunities, test marketing, and market access. The students learnt a lot about the financial industries and the role of SEBI.
55	MBA	Moon Beverages Ltd. Coca-Cola Happiness Factory (Coca-Cola plant), Greater Noida	17-12-2022	1st	50	Dr. Anju Bhatli & Dr. Nilin Walia	The visit was organized with the objective of giving them an insight into the state of the art manufacturing (production and operation) and bottling process of Coca Cola and its other variants. Also, to make them aware about the connection between the theory and its practical application as the Management is all about practical implications of the theoretical concepts.
56	MBA	Mother Dairy, Delhi	02-05-2023	4th	36	Dr. Sukhvinder Singh & Mr. Nishant Gaur	The aim of the visit was to sensitize students on the importance and working of milk processing set up such as Mother Dairy. The objective was to make students aware of the entire supply chain process of milk production, starting from sourcing milk from the local villages, checking adulterants at common collection centres, bringing them to the plant, processing, packaging and finally dispatching them to end consumer. It also aimed to understand and practical aspects of milk production such as supply chain, logistics, sales, marketing and customer relations.
57	MBA	Industrial Visit to SEBI, Delhi	03-05-2023	4th	35	Dr. Sukhvinder Singh & Mr. Nishant Gaur	The aim of the visit was to sensitize students on the functioning of securities market in India and to make students aware on the Demat and trading account opening procedure. The objective was to make students aware on role and functions of Securities and Exchange Board of India. The visit was a great source of learning for students as the speakers shared their expertise on the topic. Students also got a great opportunity to clear several doubts regarding Demat and trading accounts, functioning of SEBI and IPO listing. Malpractices in stock trading. Career opportunities at SEBI
58	MBA	Industrial Visit to BSE Rajendra Place Delhi	11-10-2023	1st	51	Dr. Rajiv Jan & Dr. Ritu Gupta	"Industrial visit provides students a much relevant practical perspective of the actual work place and the larger world of business. Industrial visits grant the students a great opportunity to interact with industries and know more about industrial environment. The industrial visit to BSE was an insight into the real working environment, systems and interact with highly trained and experienced personnel. Students get to learn a lot of things that will help them in their development and also for the future."
59	MBA	Visit to India Trade Promotion Organisation (ITPO-2023)	18-11-2023	1st	25	Dr. Ritu Gupta, Ms. Neha Sharma & Mr. Nakul Anand	"The theme of IITF 2023 is "Vasudhaiva Kutumbakam". United by Trade". India is one of the 20 countries represented in the G20, giving it a voice with its tagline "Vasudhaiva Kutumbakam". It means the world is one family. In line with the G20, the theme shares India's ancient wisdom and strength in diverse sectors, perspectives and opinions on key socioeconomic issues and to participate in shaping global economic policies. Students thoroughly enjoyed the visit as learning was accompanied by fun activities in the form of role play to create awareness on investments and portfolio management, quiz on terms and concepts of stock market and trading and tambola game to conceptualize the concepts in financial analysis."
60	MBA	Visit to India Trade Promotion Organisation (ITPO-2023)	20-11-2023	1st	45	Dr. Rajiv Jan & Dr. Ritu Gupta	This trade fair proved to be a valuable opportunity for us to engage with industry leaders, gather information on the latest developments in the financial and securities industry, explore innovative solutions, establish connections with industry professionals, and potentially identify opportunities for business growth or collaboration. Participating in the NSDL Trade Fair was a great success for us. The exposure, networking, and knowledge gained during the visit position us for continued growth and success MAIT

61	MBA	Industrial Visit to Surya Roshni Limited (Steel Division), Bahadurgarh	09-02-2024	2nd	24	Dr. Neeru Gupta & Mr. Nishant Gaur	Prior to the visit, students were briefed about safety protocols and expectations during the visit. Necessary permissions and documentation were arranged, ensuring a smooth arrival process. Upon reaching the Surya Roshni Limited premises, we were greeted by the company's representatives and escorted to the designated meeting area. The industrial visit to Surya Roshni Limited's steel division was an enriching experience, offering practical insights into the complexities of the steel manufacturing industry. The visit not only deepened our understanding of industrial processes but also highlighted the importance of innovation, sustainability, and continuous improvement in today's competitive landscape.
62	MBA	Industrial Visit to Securities and Exchange Board of India, Delhi	27-02-2024	2nd	36	Dr. Sukhvinder Singh	The visit was a great source of learning for students as the speakers shared their expertise. Students also got a great opportunity to clear several doubts regarding Demat and trading accounts, functioning of SEBI and IPO listing, Malpractices in stock trading. Career opportunities at SEBI
63	MBA	Industrial Visit to Surya Roshni Limited (Steel Division), Bahadurgarh	07-03-2024	2nd	52	Dr. Rajiv Jain & Dr. Neeru Gupta	Industrial visit provides students a much relevant practical perspective of the actual work place and the larger world of business. Industrial visits grant the students a great opportunity to interact with industries and know more about industrial environment. The industrial visit to Surya Roshni Limited (Steel division) was an insight into the real working environment, systems, and interact with highly trained and experienced personnel. Students also had interactive session with HR & technical expert of Surya Roshni Limited.
64	MBA	Industrial Visit to National Small Industries Corporation, Okhla, New Delhi	15-03-2024	2nd	46	Dr. Sukhvinder Singh, Mr. Nishant Gaur, Mr. Nakul Anand & Ms. Neha Sharma	To develop entrepreneurial skill in budding managers. To sensitize students on various entrepreneurship schemes provided by Government. Delved deep into the latest technologies and trends shaping the industry landscape. Connected with industry experts and professionals, exchanging valuable insights and perspectives. Learned firsthand about the process of manufacturing tissues, disposables etc.
65	ME	Emerson-Copeland Cold Chain Limited, Gurugram	24-11-2023	3rd, 5th and 7th	20	Dr. Vaibhav Jain	Purpose was to provide students with practical exposure to compressor manufacturing and HVAC&R systems, bridging the gap between theory and industry practice. Students gained insights into operations at Emerson-Copeland Cold Chain Limited, fostering networking opportunities and potentially opening doors to internships and future careers in the field.
66	ME	Jindal SAW Limited, Kosi Kalan	23-09-2023	3rd, 5th and 7th	50	Dr. Surabhi Lata, Dr. Ganima Sharma, Dr. Sidharth, Dr. Deshdeep Gaambhir	The industrial visit to Jindal SAW Limited aimed to provide students with practical exposure to pipe fabrication processes, including GMAW and submerged arc welding, as well as cold forming techniques, enhancing their understanding of theoretical concepts in Mechanical Engineering. Students gained firsthand insights into pipe fabrication operations, intermediate processes, and testing techniques employed at Jindal SAW Limited, enriching their learning experience and equipping them with valuable industry knowledge for future endeavors in the field.
67	ME	Shriram Pistons and Rings Pvt Ltd, Ghaziabad	02-06-2023	3rd, 5th and 7th	40	Prof. V N Mathur, Dr. Vaibhav Jain, Dr. Deshdeep Gaambhir, Dr. Kanchan Mudgil	Purpose was to familiarize students with the manufacturing processes of automotive components like pistons, piston pins, and engine valves, enhancing their understanding of industrial practices in Mechanical and Automobile Engineering. Students gained practical insights into automotive component manufacturing, witnessing firsthand the processes involved at Shriram Pistons and Rings Pvt Ltd, which enriched their knowledge and provided valuable exposure to real-world engineering applications in the automotive industry.
68	ME	EDGE TECH Air Systems	06-05-2023	3rd, 5th and 7th	80	Dr. Vaibhav Jain	Purpose was to provide students with insights into the manufacturing processes and technologies used in Air Handling Units (AHUs), fostering their understanding of HVAC systems and related industrial practices. Students gained valuable knowledge about AHU manufacturing, technology, and applications, enhancing their understanding of HVAC systems and equipping them with industry-relevant insights for their academic and professional pursuits in Mechanical Engineering.
