POLICY FOR GREEN CAMPUS INITIATIVES

Recognizing the environment and social responsibility Maharaja Agrasen Institute of Technology is going to adopt the following policy for green campus initiatives:

1. To meet around 15% of energy requirements from the solar panels
2. To reduce carbon footprint.
3. To promote use of electric vehicles by installing electric charging station.
4. To adopt the DDA Green Belt & maintain it.
5. To harvest rain water so as to recharge ground water reservoirs.
6. To organize tree plantation drives with the help of students and faculty in order to make the campus green and beautiful,
7. To maintain lush green campus with variety of seasonal flowers blooming across the campus.
8. To promote the use of green & blue dustbins in order to segregate the solid waste into dry and wet category.
9. To recruit dedicated house-keeping staff with adequate experience in maintenance of horticulture in the campus.
10. To create paper-less campus by minimizing the usage of paper for internal official correspondence.
11. To sensitize students, faculty and staff towards safe disposal of e-waste.
12. To recycle wastepaper with the assistance of an external agency.
13. To encourage students to generate 'wealth out of waste' by initiating recycling, segregation and disposal of waste responsibly.
14. To make the campus plastic-free.
