MAHARAJA AGRASEN INSTITUTE OF TECHNOLOGY

Maharaja Agrasen Institute of Technology is established by Maharaja Agrasen Technical Education Society. MAIT endeavors to provide industry relevant education and training to its well-crafted practical training programs for the student in different semesters of the course.

MAIT – VISION

To Produce Critical thinkers of
Innovative Technology

MISSION: To provide an excellent learning environment across the computer science discipline to inculcate professional behavior, strong ethical values, innovative research capabilities and leadership abilities which enable them to become successful entrepreneurs in this GLOBALISED world.

PILLARS OF STRENGTH

Message from Chairman

Dr Nand Kishore Garg

Founder Chairman & Chief Advisor
MATES
Chancellor, Maharaja Agrasen
University

At MATES, excellence is the design with which education is imparted. I wish to congratulate and extend my warm regards to all as we outshine ourselves as an organisation and illustrate how immense focus can redefine the manner in which we must grow as a nation.

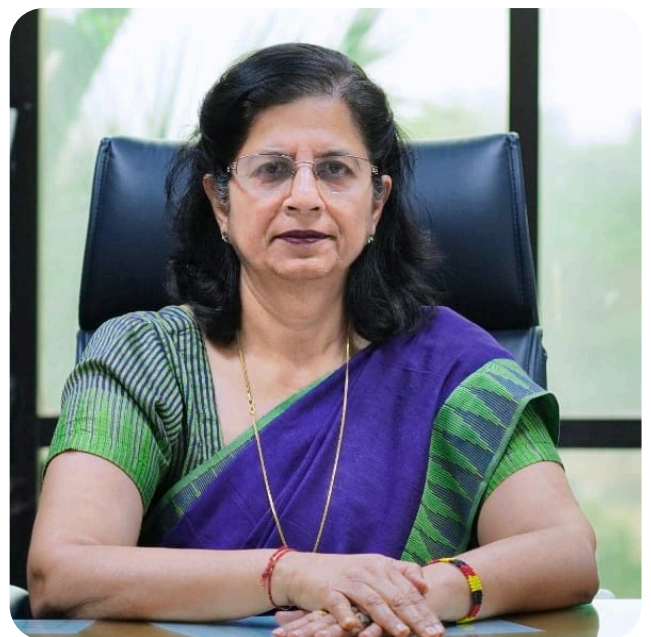

Message from Director

Good Wishes to all,

At MAIT, each ounce of energy channels itself towards preparing the students and offering them a chance at replenishing the Research/Academia and Industry with their ideas. When the pandemic hit the country, education was destined to suffer but MAIT mustered the courage to establish online education through the platform of MsTeams and students were counseled at length about the availability of resources should they face unfavorable circumstances in their respective towns or homes. Students of MAIT both MBA and B. Tech have shown their Managerial and Technical skills by getting Excellent Placements breaking all records.

I wish the Batch 2020-24 all the very best for their future

Endeavours,
Director, MAIT

MAIT@25 YEARS

MAIT is celebrating its Silver Jubilee Year (1999-2024). The axiom for the celebration of 25 Years of Excellence is 'Rashtr Pratham'.

EVENTS@MAIT

Training session on the usage of **ICT tools** at MAIT on 4 Jan 2024

Course : Data Science and Quantum Computing

Institute: AVB-IIITM Gwalior

Name of MAIT faculty: Dr. Vipin Kr Sharma, Dr. Sidharth Bansal, Dr. Deshdeep Gambhir

Course: AIML

Institute: IIIT UNA

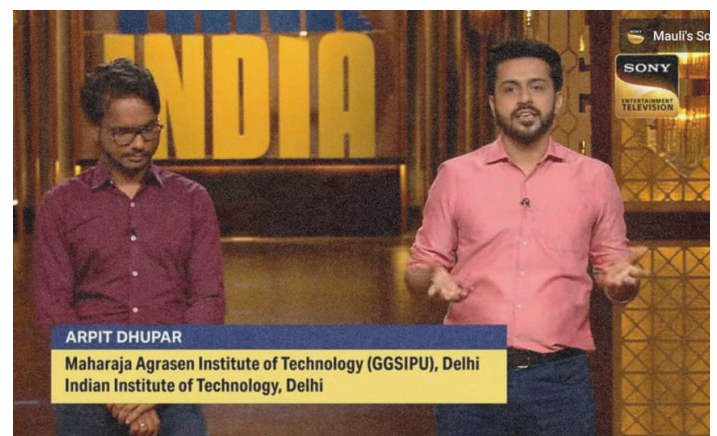

Name of MAIT Faculty: Dr. Kanchan Mudgil, Dr. Sumit Joshi, Mr. Madhukar Chhimwal, Dr. Ashwni

Students Achievements

NSS MAIT's Padhaku Wing visited the slum area near Kanhaiya Nagar on 2 March 2024 and spread awareness about education and its importance to the beautiful young minds, and informed them about various avenues of professional development they can opt for in accordance with their interests.

MAIT distinguished Alumni Mr Arpit Dhupar and Mr Anand Bodh (B.Tech, MAE 2010-14 batch) in Shark tank on 14 March 2024.

दो दोस्तों की जान बचाकर बहादुरी की मिसाल बना **सुमित यादव**

पीतमपुरा। महाराजा अग्रसेन इंस्टीट्यूट आफ टेक्नोलॉजी के छात्र सुमित यादव ने जिन्होंने बीते दिनों में प्रशांत विहार में सेक्टर-14 स्थित मिलनसार अपार्टमेंट में एक चार मंजिला मकान में आग लग गई थी। वहां पर रह रहे महाराजा अग्रसेन इंस्टीट्यूट में पढ़ने वाले दो इंजीनियरिंग के छात्रों (आर्यन गुप्ता व अनुपम कथूरिया) को उनके दोस्त सुमित यादव (जो बोटक, आईटी का अंतिम वर्ष का छात्र है) ने अपनी दोस्ती का फर्ज निभाते हुए अपनी जान पर खेलकर अपने साथी की सहायता करी और उन्हें आग से सुरक्षित निकाला।

आर्यन गुप्ता ने बताया कि जब मैं फ्लैट के अंदर था तकनीकी कारणों से फ्लैट में आग लग गई थी। धुआं और आग की लपटों से मैं बेचैन हो गया था मदद के लिए कुछ दिखाई नहीं दे रहा था। उसी समय मेरा दोस्त सुमित यादव भगवान के रूप में मेरे पास आया और मुझे एक बाल्कनी के रास्ते चादर में लपेटकर ले गया। काफी देर तक चार मंजिल बाल्कनी पर खड़ा रहा। मेरा दोस्त हौसला बढ़ाता रहा। इस घटना में सुमित यादव बुरी तरह घायल हो गया लेकिन हिम्मत नहीं हारी। उसकी वजह से मेरी व अनुपम कथूरिया की जान बची है। मेरा और अनुपम का जीवन बचाने का श्रेय मेरे दोस्त सुमित यादव का है। जिसको मैं और मेरा परिवार पूरा जीवन नहीं भूल पायेगा। इस घटना के बाद सुमित यादव का इलाज श्री अग्रसेन इंटरनेशनल हॉस्पिटल सेक्टर-22 रोहिणी में चल रहा है।

Students Achievements

Mr. Ashutosh Bansal, ECE final year, MAIT has attended 13 days at Everest Base Camp and successfully completed a trek in the Everest Expedition, Region of Nepal, a world heritage site.

MAIT is incredibly proud and inspired to share the amazing news that Sumit Yadav, a student of MAIT, has shown exceptional courage and selflessness by saving the life of his friends during a recent fire incident.

His quick thinking, bravery, and unwavering determination in the face of danger have not only saved a life but also touched our hearts deeply.

Faculty Development Programs

One week FDP on 'Digital Detox and Physical Wellness', was organised by the Department of Applied Sciences, MAIT during 15-19 July 2024. The FDP was focused on Educating Faculty members about the importance of managing digital consumption and promoting well-being in the digital age

Management Department of MAIT organised a weekly Faculty Development Program on “A Structural Equation Modelling Approach on Meta-Analysis of Literature” from 8 to 12 July 2024.

A 5-Day Faculty Development Program on “Generative AI” from 8-12 July 2024 was organised by the Department of Computer Science and Engineering, MAIT in collaboration with Azure Developer Community and Reskill. With a total registration of 132 faculty members, this FDP on Generative AI provided participants with a thorough understanding and practical expertise in advanced artificial intelligence techniques, with a special emphasis on Generative AI technologies.

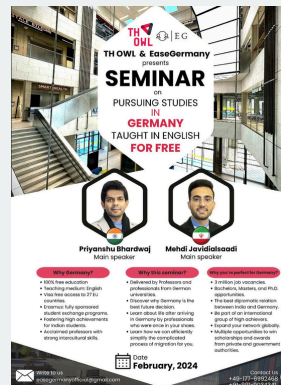

Department of Electronics and Communication Engineering (ECE) is organising a five days Staff Development Programme (SDP), 22-26 July 2024

Seminars/Workshops

A workshop on 'Cyber Security and Ethical Hacking' organised by Deptt of CST and CSE, MAIT on 5 March 2024.

A seminar on PURSUING STUDIES IN GERMANY by TH OWL & EaseGermany was organized at MAIT.

3rd International Conference on 'Renewable Power (ICRP 2024)' was organised by EEE Department, MAIT on 28-29 March 2024.

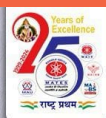

A one-day Workshop on CANVA was organised by the Department of CSE, MAIT on 2 April 2024.

INDUSTRIAL VISIT

Departments of ME and MAE organised an industrial visit to PPCL Bawana on 4 May 2024. The power plant is one of the gas based power plants with the capacity of 1500 MW. The visit is attended by 40 students of both the Deptts accompanied by 4 faculty members.
